Dear Parents/ Guardians:

As winter is quickly approaching, it is time for us to begin thinking about inclement weather. In the event of winter weather, the district may decide to remain open with limited bus routes running. Snow routes have been developed in hopes of decreasing the number of school days we are forced to cancel due to hazardous road conditions. Below is a listing of the bus snow routes for the 2016/2017 school year. Information concerning school closings and/or changes made due to hazardous driving conditions will be communicated through the district's call system and local media. Should you have further questions, please feel free to contact your child's school.

Local Media: KXIO 106.9, KDYN 92.7, KFSM 5, and KHBS 40/29
