Supply List

2018-2019

We are looking forward to having your child this coming school year. We realize the high expense of beginning a new school year, so we are asking that you **NOT** purchase supplies for your child. We will be purchasing all the students' supplies, with the exception of a backpack. Only a small cloth bag or backpack is needed. **NO** backpacks on wheels. We hope this will cut down the cost for you and help you avoid the last minute rush in August. By buying in bulk, we are able to get a discount. This has been added to your school fees at the beginning of school. Your child's fees will need to be paid at Open House in August. We hope that this will make beginning school easier and less expensive.

Thank you,
