This year is the third annual Byng Tennis Camp. It will run 3 weeks and introduce the great sport of tennis to children of all ages. It will be held at the tennis courts on the Byng School campus. There will be great instruction in a fun environment. The camp will be Monday-Thursday mornings for all grades, and Fridays the 5th-12th grade campers will have the opportunity to play matches against each other in Byng. To register for camp come on the first day with this sheet filled out to the courts. I hope to see you there! If you have any questions feel free to email me at chris.burns@byngschools.org.
