Preparing for Open House

How do I have a successful open house?

The following information and MUCH more are from a blog found at-

http://www.thefirstbelle.com/open-house-tips-for-new-teachers/

The goal of an Open House/ Meet the Teacher Night, from the Teacher's perspective, is

- *Obviously, meet and engage with your new students*
- *Meet their parents- build trust with them so that they are confident in your ability to teach their child*
- *Explain how your classroom will run: the expectations, the systems/routines that you use, homework policy, etc*
- *Make a strong first impression!*

To be successful, you must be prepared…read the blog for preparation tips.

Support

What do I do if I need help?

- **Leigh Brandon** is the Novice Teacher Support Coordinator for Southeast Co-op. You can contact her for on-site support, questions, and any concern.
  - **leigh.brandon@searkcoop.com**
