- Graduation Rate: The 4-year adjusted cohort graduation rate is the number of students who graduate in four years with a regular high school diploma divided by the number of students who entered high school as 9th graders four years earlier (adjusting for transfers in and out).
- Success Rate: A student must meet one of the four following outcomes within two years of High School graduation:
  1. Student earned an Industry Recognized Certification while in High School.
  2. Student earned a Postsecondary Certificate.
  3. Student earned a Postsecondary Degree.
  4. Student enrolled in Postsecondary in both the first and second year following High School graduation.
- Effective Rate: The calculated Graduation Rate multiplied by the calculated Success Rate.

Graduation Rate: The four-year adjusted cohort graduation rate is the percentage of students in a cohort, adjusted for transfers into and out of the school, district, or state, who graduate with a regular high school diploma within four years of entering high school.

Attendance Rate

Rate at which students are present at school, not including excused or unexcused absences.

Chronic Absenteeism

Percentage of students who miss 10% or more of school days per year either with or without a valid excuse.

Dropout Rate

The dropout rate is calculated annually and reflects the number of seventh–twelfth grade students who drop out in any one school year. A dropout is any student who exits school between October 1 and September 30 with a dropout EXIT code AND does not re-enroll in school by September 30.

ACT Performance (2018 School Year)

ACT is a national college admissions exam that includes subject level tests in English, Math, Reading and Science. Students receive scores that range from 1 to 36 on each subject and an overall Composite score. This report provides the average Composite score for the 2018 graduating seniors who took the ACT as sophomores, juniors, or seniors.

Note: Not all eligible students completed an ACT.
