

SUCCESSFUL LEADERS

By Michaela Forkenbrock and Brittani VanWinkle

After attending the district conference at Emporia State University, Lyndon High School FBLA accomplished great success. They competed with great effort, placing second out of 13 schools. FBLA Advisor, Mrs. Judy Patterson, commented, "I was really proud of all the Lyndon FBLA members and our second place finish. This year we finished with more top ten awards than any previous year. Now we just have to continue to improve so we can finish in first place next year."

Of the 66 students that attended the conference, 46 placed in the top ten in at least one of their events. Those members will compete at the state conference at the end of March. Listed below is each member who placed and what event(s) they placed in.

Hailey, Josie, and Jamie: 5th in Sports and Entertainment Presentation and 7th in Sports and Entertainment Objective

Payton and Grace: 7th in Hospitality Management Objective

Stephen and Meghan: 8th in Hospitality Management Objective

February 6th-10th was FBLA Week. During that week, members participated in numerous activities. The theme for those days were as follows:

Monday-Membership Monday

Tuesday-Treasure Hunt Tuesday

Wednesday-March of Dimes Awareness Day

Thursday-Survivor Day

Friday-Dress for Success Day

Also during that week, FBLA hosted a fundraiser for March of Dimes called Pies for Lives. Mr. Patterson, Miss Fuller, Mr. Hoelting, and Mrs. Spitzenberger were nominated by the FBLA members to be a part of the activity. Each one of those teachers had their own jar with their name on it that collected money during that week. At the end of the week, the teacher with the most money in their jar was the one to get a pie in the face. After raising a total of \$80.47 for March of Dimes, Miss Fuller was the lucky one to get the pie in the face. Thank you to all that participated in donating to a great cause!
