

The board appreciates patrons taking time to talk to us about our policies and procedures. We set aside this time every meeting to hear from the public. Your comments should be directed towards the board president and regarding board policies or the procedures our administrators establish to carry out to those policies. Please remember that official board action cannot be taken during public input and that individual board members will not interact during your comments.

This is not an appropriate time or place for patrons to make comments of a personal nature about any district employee or student. Persons making comments, which violate the privacy rights of district employees or students, will be asked to terminate their remarks. If a patron or parent has a concern with one or more employees the board will refer that person to the appropriate employee or the superintendent. If the board refers your concern to an administrator for investigation the board will hear about it in a future meeting and you can expect the superintendent or another district employee to make arrangements to meet with you at the appropriate time.

Each speaker will be limited to 5 minutes each. That time limit will be kept and announced by the clerk. Each speaker should clearly identify him or herself and state the topic to be discussed before making those comments. The board requests that groups select a representative to speak on its behalf.

Thanks again for taking your time to discuss district business with the board.
