Dear parent or guardian,

New Extended Day Summer Launch Sessions begin June 7th! These sessions will be held at Chanute Elementary School for K-8 students.

The Extended Day Summer Launch Programs require a separate registration for EACH program. Please register your child by following the links below.

There are three options for the extended day program:

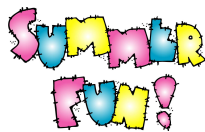

1. Early Drop Off - 7:30am-8:30am (**Bus Transportation Not Available**) for students attending the morning Summer Launch Program from 8:30am-12:30pm. [Early Morning Extended Day Summer Launch](#)
2. Afternoon Session - 12:30pm-3:30pm (Bus **Transportation Available see table below**). [Afternoon Extended Day Summer Launch](#)
3. Late Pick Up - 3:30pm-5:30pm (**Bus Transportation Not Available**). [Late Afternoon Extended Day Summer Launch](#)

Lunch will be served free of charge and available to students attending the afternoon session from 12:00-12:30pm at Chanute Elementary School.

A few important things to remember:

- Your student does not need any supplies, but a water bottle is suggested. We have everything they will need.
- Please drop your student off in the drop-off/pick-up zones in the front (west side) of the building. Students will enter through the main doors for check in.
- Please call the school at 432-2560 if your child is not attending for the day. Although attendance is not required, we will be taking many trips away from the building during the afternoon and we do not want a child to be accounted for.
- The afternoon session will be dismissed at 3:30pm. You can pick your child up in the pick-up zones at the front of the school at 3:30.
- The afternoon busses will run according to the schedule below for students being transported to and from school.
- **The Early Session from 7:30am-8:30am and Late Session from 3:30pm-5:30pm are parent drop**
