RE: Title I Parent Involvement

Dear Parents/Guardians:

Welcome back! The 2020-21 school year will for sure be one like we have never experienced before! Due to the national pandemic, we will not be participating in a traditional Title I Parent Involvement Open House Meeting, however, we wanted to reach out to you and let you know that your involvement in your child's education is more important than ever before.

I wanted to remind you that Parents Make the Difference! is our Parent Resource Newsletter for the 2020-2021 school year. It is provided through our Title I Parent Involvement program. Each month you can access the newsletter online on our school website at [www.locustgrovepirates.org](http://www.locustgrovepirates.org). To access your child's school newsletter, do the following:

- Click Campus
- Click on your child's site
- Parents Make the Difference Newsletter located on right of screen; click to access

In this monthly newsletter, we share ideas about ways to be involved in your child's learning through daily activities and tips and strategies for working with your children at home. It also contains many great articles involving parenting.

We hope you enjoy this newsletter and find the information makes your difficult job of parenting easier and helps your child be successful in his/her learning.

Also, Title I funds have been used to purchase communication tools that will make it easier for you to communicate with your child's teacher. Each site will share that information with you.

Remember, parents are a child's first and most influential teachers! My favorite quote is "It takes a village to raise a child," which is an African proverb that means that an entire community of people must interact with children for those children to experience and grow in a safe and healthy environment.

*Every student, every day,*

Lori Ragsdale  
Federal Programs Director  
Locust Grove Pirates

*"At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents."*
