

Notes from the Teacher

- **Test Review** – This is our last week of test review! Please continue to look over practice tests and review materials that come home with your child; focusing on any problems they have missed. It's never too late...every bit of review and all those last minute clarifications *can* and *do* help.
- **Testing** - Next week we will take the state test. Attendance is crucial during those testing days. Please make sure students are at school on time each day. It is important that they get a good night's sleep, eat breakfast (whether at school or at home), and wear comfortable clothing that won't be distracting to them. We want them to have every advantage to make them successful.
- **Field Trip Update** – The Tulsa Air and Space Museum had to reschedule our visit due to some renovations they are performing to their exhibits. Therefore, we will now be visiting on May 9th, instead of April 27th. As a reminder, this trip will cost \$8 per student. I will send home permission slips and further information when the date gets closer.
