RE: Criminal Occurrence Security Check

DATE: May 27, 2025

To Whom It May Concern:

It is the policy of Saskatoon Cycles that volunteers over the age of 18 must provide criminal record checks before volunteering with the organization. Our volunteers are involved in accepting, and keeping safe, event participants' bicycles at the Bike Valet and as such, hold a role of trust and authority.

We are very appreciative for the cooperation and generosity of your department in providing this for our Volunteer applicants.

Please run a criminal record check for the following volunteer:

Full Legal Name of the Volunteer

It is understood that upon receiving their criminal check, the volunteer will provide Saskatoon Cycles with a copy of this check in order to be allowed to volunteer.
