

## **Saskatoon Cycles Bike Valet Site Supervisor 2026 - Job Posting**

Saskatoon Cycles is seeking an energetic and personable Site Supervisor to operate the Bike Valet between May and September at many Saskatoon festivals and events. This is a part-time/casual contract position. The Site Supervisor will work under the supervision of the Bike Valet Coordinator.

Duties include: set up, take down, maintenance of equipment, volunteer supervision, collection of data, and regular communication with the Coordinator. A written report is required at the end of the season.

The ideal candidate for this position is:

- Professional and assertive
- A strong communicator
- Able to work independently
- Able to build positive relationships with volunteers and festival organizers (friendly and personable)
- Able to handle a busy and fast-paced environment
- Physically fit and able to lift bikes on and off the racks

Experience in a supervisory role is considered an asset.

Experience or involvement in the cycling, or athletic communities in Saskatoon is considered an asset.

This position requires weekend availability, and access to a reliable mode of transport (preferably a bike!) to and from all events.

Wage is \$25/hour.

For more information, and a list of current festivals/events visit [saskatooncycles.org/bike-valet](https://saskatooncycles.org/bike-valet)

Please send resume and cover letter to [bikevalet@saskatooncycles.org](mailto:bikevalet@saskatooncycles.org) by April 5, 2026. The cover letter should outline any relevant experience and clearly demonstrate how the candidate meets the required traits and skills.
