Material	Faceplate	Stainless Steel
	Back box	ABS Plastic
Dimensions	Faceplate	4 1/2"x4 1/2"x3/4" (115x115x19 mm)
	Back box	5 1/8"x5 1/8"x2 1/8" (130x130x54 mm)
Operating temperature	32°~221° F (0°~105° C)	
Weight	16.5-oz (467g)	

Dimensions:

Installation:

1. Determine a suitable location for the 4.5" Round Push Plate.
2. Run wires through the wall to the desired location.
3. Remove the faceplate and the front of the back box using the included hex wrench (see Fig. 1).
4. Punch out the center plug and four thinned out areas located inside the back box (see Fig. 2).
5. Using the four included mounting screws, secure the back box to the wall.
6. Reattach the front of the back box.
7. Wire the switch terminal according to the wiring diagram (see pg. 4).
8. Replace the faceplate and tighten screws.

WARRANTY: This SECO-LARM product is warranted against defects in material and workmanship while used in normal service for one (1) year from the date of sale to the original customer. SECO-LARM's obligation is limited to the repair or replacement of any defective part if the unit is returned, transportation prepaid, to SECO-LARM. This Warranty is void if damage is caused by or attributed to acts of God, physical or electrical misuse or abuse, neglect, repair or alteration, improper or abnormal usage, or faulty installation, or if for any other reason SECO-LARM determines that such equipment is not operating properly as a result of causes other than defects in material and workmanship. The sole obligation of SECO-LARM and the purchaser's exclusive remedy, shall be limited to the replacement or repair only, at SECO-LARM's option. In no event shall SECO-LARM be liable for any special, collateral, incidental, or consequential personal or property damage of any kind to the purchaser or anyone else.

NOTICE: The SECO-LARM policy is one of continual development and improvement. For that reason, SECO-LARM reserves the right to change specifications without notice.
