Work History

Vascular Surgery, Partner, 12/2017 to Current

Coastal Vascular & Interventional – Pensacola, FL

Vascular Surgeon, 10/2017 to Current

All Star Recruiting – Deerfield Beach, FL

Provide Locums coverage for Vascular surgery across the state of FL.

Vascular Surgeon, 7/03 to 10/17

Cardiothoracic & Vascular Surgical Associates – Jacksonville, FL

- Medical Director St. Vincent's Riverside Center for Advanced Wound Healing & Hyperbaric Therapy
- Medical Director Vascular Access Center of Jacksonville
- Medical Director Jacksonville Vein Center
- Section Chief Cardiovascular Surgery St. Vincent's Medical Center Southside

General & Vascular Surgeon, 2001 to 2003

Schreiber & Clift, PA – Orlando, FL

Trauma, General & Vascular Surgeon, 1999 to 2001

Geoffrey L. Risley, MD, INC – San Diego, CA

Trauma, General & Vascular Surgeon, 1997 to 1999

McReynold's & Sedwitz, PA – La Jolla, CA

Physician Proctor, Endovascular AAA, 06/2001 to 2006

Medtronic. AVE – Santa Rosa, CA

Physician training in the use and deployment of AneuRx endovascular AAA device

Education

Vascular Surgery Fellowship: 1995 to 1997

University of North Carolina - Chapel Hill, NC

General Surgery Internship/Residency: 1990 to 1995
University of North Carolina - Chapel Hill, NC

M.D.: 1986 to 1990
University of Florida College of Medicine - Gainesville, FL

Bachelor of Science: 1982 to 1986
University of Florida - Gainesville, FL

Associate of Arts: 1982
Edison Community College - Ft Myers, FL

Certifications

National Board of Medical Examiners (#382646)
American Board of Surgery-General Surgery (#41045)
American Board of Surgery-Vascular Surgery (#100883)
Registered Physician in Vascular Interpretation (RPVI)
Florida State Medical License (#ME83348)
Georgia State Medical License (#053643)
National Practitioner Identifier (#1578565735)
ACLS/BLS

Appointments

Immediate past - President, Florida Vascular Society (PY2016-17)
Immediate past Chair-Post-graduate Education Committee, Southern Association for Vascular Surgery
Leadership Council Committee - Society for Vascular Surgery
Political Action Committee - Society for Vascular Surgery
Former Chief Cardiovascular Surgery St. Vincent's Southside ending 10/12/2017
Former Chief Wound Care and Hyperbaric Therapy Center at St. Vincent's Medical Center ending 7/2017.

Presentations

1. Balloon Assisted Maturation for Failing AVF, Endovascular Therapies 2017, October 26-29, 2017, Pinehurst, NC
2. Guidelines for Open Surgery in the Endovascular Era: the Management of PAD, International Society of Endovascular Therapy Annual Meeting, Hollywood, FL, February 9, 2016
3. The Basics of Wound Healing for the Vascular Surgeon, The 40th Annual Meeting of the Southern Association for Vascular Surgery, Ritz-Carleton, Cancun Mexico, January 20, 2016.
4. The Future of Wound Care in the Bundled Care Environment, The 40th Annual Meeting of the Southern Association for Vascular Surgery, Ritz-Carleton, Cancun Mexico, January 20, 2016.
5. The Wound Care Center- The Pro's & Con's of 3rd Party Management, The 40th Annual Meeting of the Southern Association for Vascular Surgery, Ritz-Carleton, Cancun Mexico, January 20, 2016.

6. The Use of the Powerlink Modular Bifurcated Stent-graft System in the Treatment of Aortoiliac Occlusive Disease: The Northeast Florida Experience. Ritz-Carleton, Reynolds Plantation, September 16-18, 2015.
7. Vascular Surgery for the Non-Vascular Surgeon, St. Vincent's Primary Care Symposium, Jacksonville, FL, Aug 23, 2014.
8. Corporate Collaboration Allows for Greater Efficiencies in an Office Based Interventional Lab., 27th Annual Scientific Sessions Florida Vascular Society, Palm Beach, FL, May 1-4, 2014.
9. Advanced Pedal Access Course, The 27th Annual Scientific Sessions Florida Vascular Society, Palm Beach, FL, May 1-4, 2014.
10. The REVISE Trial: The Role for Stent-grafts in Prosthetic Hemodialysis Access Maintenance. The 27th Annual Scientific Sessions Florida Vascular Society, Palm Beach, FL, May 1-4, 2014.
11. Vascular Surgery for the Wound Care Physician, 2nd Annual Wound Care Symposium, St. Vincent's Medical Center, Jacksonville, FL, 4/1/2014.
12. HeRO Catheter Experience in a Major Access Center, 38th Annual Meeting Southern Association for Vascular Surgery, Palm Beach, FL, 1/15-18,2014.
13. Wound Care for the New Millennium, 1st Annual Wound Care Symposium, St. Vincent's Medical Center, Jacksonville, FL, 4/27/2013.
14. DEFINITIVE LE Study, 26th Annual Scientific Session, Florida Vascular Society, Orlando, FL, 5/1/13.
15. Endovascular Repair of Bilateral Common Iliac Artery Aneurysms using a Paired Endovascular Snorkel Technique, 23rd Annual Scientific session, Florida Vascular Society, Naples, FL.
16. The Study of Orbital Atherectomy System for the Treatment of Peripheral Vascular Disease. Florida Vascular Society, 22nd Annual Meeting, Orlando, FL, 4/26-29. 2009.
17. Hiring a New Vascular Associate, 2011 Vascular Annual Meeting, Private Practice Committee, Post-graduate Session Chicago, IL, June16-18, 2011.
18. Arterial Venous Fistula Creation in the Age of DOQI Guidelines, 2008 Annual Clinical Assembly of Osteopathic Specialists, Boca Raton, FL, 9/12/08.
19. The Management of Spider Veins, Reticular Veins and Varicosities, Florida Vascular Society, 21st Annual Scientific Session, Ponte Vedra Beach, FL, May 1st 2008.
20. The Lower Extremity Bypass Graft Revisited: The Gold Standard or the Old Standard? Southeastern Interactive Wound Summit, St. Augustine, FL, May 24, 2007.
21. Venous & Arterial Insufficiency, Southeastern Interactive Wound Summit, St. Augustine, FL, April 8, 2006.
22. Aortic Stent-grafts in a Community Hospital Setting, Southern California Vascular Society Meeting, April 22, 2002.
23. Development of an Endovascular Program in a Community Hospital Setting, Nathan A. Womack Society Meeting, Chapel Hill, NC, May 3-5, 2001.
24. Advances in the Treatment of Aortic Aneurysms, Medical Grand Rounds, Scripps Memorial Hospital, La Jolla, CA, November 1999.
25. Non-operative Management of Lower Extremity Wounds, 6th Annual New Developments in Vascular Surgery Meeting, Chapel Hill, NC, October, 2006.
26. Fibrinolytic Agents: Mechanism of Action, Current Therapy of Venous Disease, Carolina Inn, Chapel Hill, NC, May, 1996.

27. Management of Diabetic Foot and Venous Stasis Ulcers, AHEC Grand Rounds, Nash County Hospital, Rocky Mount, NC, May 1996.
28. Anti-sense c-myc Therapy, Research Initiatives in Disease Symposium, Bethesda, MD, March 7, 1996.
29. The Role of intra-operative Thrombolytic Agents, 5th Annual New Developments in Vascular Surgery Meeting, October, 1995.
30. The Role of Gene Therapy in Preventing Neointimal Hyperplasia, Surgical Grand Rounds, University of North Carolina, Chapel Hill, NC, November, 1995

Research

1. EASE Trial: A study to evaluate the safety and effectiveness of the Phoenix Atherectomy™ catheter, a minimally invasive device for the treatment of peripheral arterial disease (PAD) in the legs.- Atheromed, Inc. (Complete)
2. AV Access Discovery Project - Cardiovascular Systems, Inc. (Complete)
3. CONFIRM Diamondback Atherectomy Registry - Cardiovascular Systems, Inc. (Complete)
4. SAPPHIRE Trial: Carotid Angioplasty & Stent Aftermarket Trial - Cordis International, Inc. (Complete)
5. Endoluminal Stent Grafts for Repair of AAA (IRB#99-023), Scripps Memorial Hospital, La Jolla, CA. (Complete)

Awards/Certifications

Undersea & Hyperbaric Medical Society Certificate (UHMSC)
 Advanced Cardiac Life Support (ACLS)
 Fistula First Champion Surgeon (9/2012) FMQAI: The Florida ESRD Network Fistula First Breakthrough Initiative CMS Sponsored Quality Initiative
 Medical Alumni Endowment Fund (5/1995) Inhibition of Smooth Muscle Cell Proliferation with c-Myc Anti-sense Oligonucleotide in a Fibrin Glue Delivery System

John Harrington Tannous, MD award for cancer research (5/1990) University of Florida, College of Medicine

American Cancer Society (6/1987) Summer Cancer Research Grant, University of Florida, College of Medicine
