

As a practicing anesthesiologist and pain management specialist, Dr Spivey has significant experience in diagnosing and treating many different medical issues and the causation of these issues. Dr Spivey is also a registered pharmacist and addiction medicine specialist, both of which assist him in making clinical diagnosis, but also lend themselves as excellent background as an expert witness or independent medical examiner.

Should your practice or business have that need, please contact us. While there are many capable and qualified physicians providing the services of Expert Witness, not many come with the varied training and experience of Dr Spivey. As a physician trained in Anesthesiology, Pain Medicine, Addiction Medicine, Independent Medical Examinations as well as a Registered Pharmacist, Spivey Medical is your BEST choice!
