Education

Medical School University of Michigan Medical School
Ann Arbor, Michigan
8/2005 - 5/2009; Doctor of Medicine

College University of Michigan, College of Literature, Science, and the Arts
Ann Arbor, Michigan
9/2001 - 12/2004; B.S., with High Honors and Highest Distinction
Major: Biological Psychology and the Cognitive Sciences

Postgraduate Training

Advanced Fellowship United States Bureau of Health Professions 7/2014 – 6/2015
in Geriatric Psychiatry University of California, Los Angeles
Los Angeles, California

Geriatric Psychiatry University of California, Los Angeles 7/2013 – 6/2014
Fellowship Los Angeles, California

Psychodynamic Michigan Psychoanalytic Society 2/2011 – 10/2011
Psychotherapy Fellowship Ann Arbor, MI

Psychiatry Residency University of Michigan Health Systems 6/2009 – 6/2013
Ann Arbor, Michigan

Licensure/Certification

Board Certification:

-General Adult Psychiatry, American Board of Psychiatry and Neurology, 2013
-Geriatric Psychiatry, American Board of Psychiatry and Neurology, 2014

Medical Licenses:

-State of California, license number A124259 (expires 9/30/2022)
-State of Pennsylvania, license number MD469337 (expires 12/31/2020)
-State of New York, license number 302318 (expires 11/30/2021)

Training and Certification to Perform Electroconvulsive Therapy:

-University of Michigan Health Systems, 2013
-University of California, Los Angeles, 2014

Duke Transcranial Magnetic Stimulation (TMS) Fellowship: 10/2020

Poster Presentations

- 2015 “Gauging Attitudes Towards Geriatric Psychiatry among Psychiatry Residents.” Poster presented at the American Association of Geriatric Psychiatry Conference.
- 2014 “Dexmedetomidine to Prevent Recurrent Postictal Agitation after Electroconvulsive Therapy.” Poster presented at the American Association of Geriatric Psychiatry Conference.
- 2013 “Meta-Analysis of Predictors of Response of Depression to Electroconvulsive Therapy.” Poster presented at the American Association of Geriatric Psychiatry Conference, 2013, and at the 24th Annual Albert J. Silverman Research Conference at the University of Michigan.
- 2013 “Electroconvulsive Therapy for Aggression and Self-Injurious Behaviors in Two Adolescents with Autism and Catatonia.” Poster presented at the American Psychiatric Association Conference, 2013, and 24th Annual Albert J. Silverman Research Conference at the University of Michigan.
- 2007 “Intraoperative vs. Postoperative Angiography after the Clipping of Intracranial Aneurysms: A Retrospective Study.” Poster presented at Summer Biomedical Research Program Conference.
- 2004 “The Role of Arginine Vasotocin in the Paternal Behavior of the Neotropical Frog, *Eleutherodactylus coqui*.” Poster presented at Undergraduate Research Opportunities Program Conference.

Education, Program and Curriculum Development

- 2017-2019 Stanford Psychiatry Residency Admissions Committee
- 2016-2019 VA Palo Alto Psychiatry Education Committee
- 2017 Organizer of Day-Long Seminar, “Assessment of Testamentary and Financial Capacity in the Elderly – A Hands-On Workshop and Mock Trial,” at Stanford Medical School
- 2016-2019 Palo Alto VA Site Director, Geriatric Psychiatry Fellowship, Stanford University
- 2015-2019 Preceptor, Stanford Medical School M3/M4 Psychiatry Clerkship
- 2015-2019 Preceptor, Stanford Geriatric Medicine fellowship, inpatient geriatric psychiatry rotation
- 2014 Organizer, Geriatric Psychiatry Education and Outreach Program, UCLA
- 2014 Member, Program Evaluation Committee, Geriatric Psychiatry Fellowship Retreat, UCLA

2012-2013 Mentor, PsychSIGN (Psychiatry Medical Student Interest Group), University of Michigan Health Systems

Research Experience

2013-2015 Investigating the efficacy of dexmedetomidine in preventing post-ictal agitation after electroconvulsive therapy. Mentor: Steven Chen, M.D. Department of Psychiatry and Biobehavioral Sciences, University of California, Los Angeles..

2012-2014. Performing a meta-analysis of predictors of response to electroconvulsive therapy in depression. Mentor: Brian Mickey, M.D. Department of Psychiatry, University of Michigan, Ann Arbor, MI.

2006-2007. Determining the utility of intraoperative versus postoperative angiography after the clipping of intracranial aneurysms. Mentor: Byron Gregory Thompson, M.D. Department of Neurosurgery, University of Michigan, Ann Arbor, MI.

2002-2004 Establishing the roles of the neurohormones, arginine vasotocin and prolactin, in paternal behavior. Mentor: Gary Ten Eyck, PhD. Department of Biological Psychology, University of Michigan, Ann Arbor, MI.

Honors and Awards

2013 Third Place, Best Trainee Poster
24th Annual Albert J. Silverman Research Conference
University of Michigan, Department of Psychiatry

2012 Making a Difference Award
University of Michigan Health Systems

2012 Honors Scholar, Geriatric Mental Health Foundation

2010 Resident Writing Award
University of Michigan Department of Psychiatry

2008 Special Commendation
Adult Inpatient Psychiatry M4 Clerkship

2008 Honors, Adult and Child Psychiatry
M4 Clerkships

2005 Thomas G. Ruth Scholarship
University of Michigan Medical School

2004 High Honors on Honors Thesis
Department of Biological Psychology and Cognitive Sciences
University of Michigan College of Literature, Science, and the Arts

- | | |
|------|--|
| 2004 | Phi Beta Kappa |
| 2004 | Angell Scholar Award (for all A record for 6 consecutive semesters)
University of Michigan College of Literature, Science, and the Arts |
| 2002 | William J. Branstrom Freshman Prize (top 5% of class)
University of Michigan College of Literature, Science, and the Arts |

Professional Membership & Societies

- American Association for Geriatric Psychiatry: 2014 to present
- International Psychogeriatric Association: 2016 to present
- Forensic Expert Witness Association: 2017 to 2019
- International Society for ECT and Neurostimulation: 2019 to present

Conferences Attended

- | | |
|--|--|
| 2020 | Massachusetts General 44 th Annual Psychopharmacology Conference |
| 2020 | Annual Psychiatric Times World CME Conference |
| 2019 | International Society of ECT and Neurostimulation Annual Conference |
| 2017 | Forensic Expert Witness Association National Conference |
| 2016 | International Psychogeriatric Association International Congress &
3rd International Conference on Capacity |
| 2012, 2013, 2014,
2015, 2016, 2018,
2019 | American Association for Geriatric Psychiatry Annual Conference |
| 2013 | American Psychiatric Association Annual Conference |
| 2014 | UCLA Chief Resident Immersion Training (CRIT) in the Care of Older
Adults |
| 2014 | UCLA Conference on Substance Abuse Screening, Brief Intervention,
and Referral to Treatment (SBIRT) |

Lectures and Presentations Given

- | | |
|---------|--|
| 10/2019 | “Preventing Cognitive Decline in Late Life” – Presentation at Mountain View,
California YMCA Wellness Series |
| 3/2019 | “Financial Abuse in the Elderly: The Role of Psychiatrists” –
Presentation at American Association for Geriatric Psychiatry Annual Conference |

- 9/2018, 10/2019 “Mood Disorders in the Elderly: Diagnosis and Management.” Stanford Geriatric Medicine Fellowship Lecture Series
- 7/2016, 7/2017 “Civil Capacities in the Elderly.” Seminar at Golden Gate Law School, Masters
