HEALTHCARE CONSULTING INC

Kohler HealthCare (KHC) is a full-service advisory firm offering consulting services to a variety of healthcare providers, payers, and attorneys. The firm was established in 1980 and is an independent woman-owned business. Our focus is on clinical revenue management services aimed at compliant reimbursement optimization.

LITIGATION SUPPORT AND CONSULTING SERVICES

OVERVIEW OF LITIGATION SUPPORT SERVICES

Our consultants have extensive and diversified experience across a wide variety of healthcare environs having worked in hospitals, long term care facilities, outpatient settings, medical practices, ambulatory surgery centers, and large consulting firms. Our KHC staff is comprised of hospital executives, Compliance Officers, Registered Nurses, Physicians, CPAs, Reimbursement Specialists, Pharmacy and Laboratory credentialed professionals, PhD statisticians, Certified Coders and Billers, and healthcare data technologists.

KHC HAS ASSISTED CLIENTS ACROSS A PORTFOLIO OF LITIGATION TOPICS AND SERVICES SUCH AS:

- Reimbursement disputes and damage calculations.
- Payer / Provider disputes.
- Compliance with Federal and State Regulations.
- Damages and valuations.
- Medical coding & billing related to potential fraud & abuse.
- Stark law and Anti-Kickback Statute.
- False Claims/Qui Tam Investigations.
- IRO Services / CIA Support.

Providing expert litigation services is based upon both comprehensive knowledge and experience in the healthcare industry. Most of our work is in consulting services thus giving our consultants an understanding of the current healthcare landscape. We can bridge gaps often found in litigation cases between the clinical, business, regulatory and reimbursement for all settings. To complement the intellectual capital of KHC consultants is our research capability and data analytics. We have the ability to manipulate large data sets that are analyzed computationally to detect trends and patterns.
