

Qualifications:

I am a medical surgical telemetry and oncology nurse with an 12-year history working at some of the largest hospitals in Southern California.

Employment History:

Ventura County Public Health Department

Ventura, CA (January 29 to present)

Working in the Communicable Disease department for the COVID 19 vaccine distribution to the citizens of Ventura County.

Herrick LLC – Legal Nurse Consultant – Ventura, CA

August 1, 2018- Present

I interpret and review medical information for attorneys. I provide expert opinions on issues related to nursing care, attend defense medical examinations and offer testimony when required.

Matrix Medical Network

May 2019- Present

Provide home safety evaluations to help prevent readmission to the hospital and COVID-19 screening services

St. John's Regional Medical Center, Chemo/ Med/Surgical Unit - *Oxnard, CA (November 2016 – April 2019)*

Responsible for assessments and nursing care on a medical surgical orthopedic/oncology floor. Developed patient care plans with the Team, provided patient and family education, administered chemotherapy and monitored for effects.

Antelope Valley Hospital, Tele/Chemo Unit - *Lancaster, CA (February 2009 – August 2016)*

Provided care in a telemetry step-down unit, treating a patient population with diverse medical conditions and individual needs. I performed assessments and nursing treatments on a medical surgical orthopedic/oncology floor.

Served as a member of the Unit Council, a team of nurses charged with improving the quality of care within the telemetry/oncology unit.

Antelope Valley College - *Lancaster, CA (August 2015- May 2016)*

As a clinical nursing instructor in a Registered Nursing Program, I supervised nursing students in their clinical rotations providing hands on patient experience and support to assist in their development of patient-care skills.

Sutter Amador Hospital, ER RN – *Jackson, CA (June 2008 - October 2008)*

Provided all areas of nursing treatments and patient care in an Emergency Department.

Good Samaritan Hospital, Neonatal ICU TECH -*San Jose, CA*

(July 2000 -January 2006) TECH

As a technician in a level 3 NICU, I supported the registered nurses in keeping their Unit stocked and provided additional support as requested.

Golden State Ambulance Co., EMT -*San Jose, CA*

(August 1997 -July 2000)

Provided transportation for patients needing medical transport. Served as the field-training officer for orientation of new employees.
