Albuquerque, New Mexico, APA-accredited
- 1994 **BA**, with Honors and Highest Distinction, Summa Cum Laude
General Arts & Sciences, Pennsylvania State University
University Park, Pennsylvania

Professional Experience

- 2019-present **Licensed Psychologist, Forensic Psychologist**
Office of Jordan Bell PhD, Chestertown, Maryland
- Provide forensic psychological and forensic neuropsychological evaluations for the Federal Public Defender, Maryland Office of the Public Defender, the Delaware Office of Defense Services, and private cases, addressing competency, sanity, Miranda, coercion, mens rea, mitigation, advisability of treatment in lieu of conviction, and fitness-for-duty examinations; provide expert witness testimony; and provide psychotherapy and neuropsychological evaluation services in this private practice.
- 2018-2019 **Staff Psychologist, Clinical and Forensic Psychologist**
United States Air Force (USAF), Dover Air Force Base
- Provided psychological and neuropsychological evaluations, consultation to Commanders, risk assessments, fitness-for-duty-examinations, pre-employment, and security clearance evaluations for deployment, security-sensitive, and/or high-risk positions such as Presidential Support Program, pilots, navigators, and military police; and provided crisis intervention and psychiatric hospitalization, Medical Evaluation Board (MEB) evaluations, and individual psychotherapy to active duty US Air Force, US Army, US Navy, and US Marine Corps service members.

- 2017-2018 **Clinical and Forensic Psychologist**
State of Ohio Department of Rehabilitation and Correction, Marysville, Ohio.
- Provided psychological and neuropsychological evaluations, consultation, care management, inpatient risk assessments (related to suicide, violence, homicide) and individual and group psychotherapy to inmates in a state women's prison, the Ohio Reformatory for Women (ORW). ORW houses minimum security thru death row inmates.
- 2015-2017 **Clinical and Forensic Psychologist**
Independent Practice, Yellow Springs, Ohio.
- Provided psychological, neuropsychological, and criminal forensic psychological evaluations and served as an expert witness in municipal and Common Pleas courts, primarily in Competency to Stand Trial and Sanity cases, with pre-trial defendants incarcerated in jail and hospital settings. Conducted psychological evaluations of individuals and incompetents court-ordered to treatment through Child Protective Services. Conducted pre-employment psychological evaluations of VA police officer candidates.
- 2014-2016 **Clinical and Forensic Psychologist**
Forensic Psychiatry Center for Western Ohio (State of Ohio), Dayton, Ohio.
- Provided expert witness testimony to courts based on court-ordered forensic psychological and neuropsychological evaluations, conducted through a State of Ohio forensic center. Conducted in jail and hospital settings, evaluations primarily addressed Competency to Stand Trial and, separately, Not Guilty by Reason of Insanity (NGRI / NCR). Postdoctoral forensic psychological training and supervision during this time provided by ABPP-FP diplomates. During this 3-year period, pursuant to the standing order of Montgomery County Common Pleas Court, served as the designated regional state examiner and expert witness for all civil commitment hearings in the 12-county region surrounding and including Dayton, Ohio.
- 2011-2014 **Licensed Psychologist**, Independent Practice, Crofton and Baltimore, Maryland.
Maryland License No. 04989.
- Provided psychotherapy, neuropsychological and psychological assessment, and consultation services in private practice, within larger group practices. Caseload specialized in individuals working in intelligence, national security, DOD, and law enforcement. Areas of specialization included psychodiagnostic assessment, risk assessment, neuropsychological assessment, fitness-for-duty evaluations, and forensic psychological evaluations. Engaged in APPCN/APA-accredited postdoctoral fellowship training in neuropsychology (Baltimore VA Medical Center) from 2012 to 2013.

2007-2011 **Staff Psychologist**, Inpatient Psychiatry (2007-2010) and Psychosocial Rehabilitation and Recovery Center PTSD Track (2010-2011), Albuquerque Veterans Affairs Medical Center, Albuquerque, New Mexico. New Mexico License No. 1068.

Conducted psychodiagnostic, neuropsychological, and decisional capacity evaluations and risk assessments, as well as provided individual and group psychotherapy, in a locked acute inpatient psychiatry unit. Conducted pre-employment psychological evaluations and fitness-for-duty-examinations of all medical center VA police officers and nationally, as well as cases involving safety-sensitive medical staff (e.g., physicians). In Clinical Assistant Professor role (Department of Psychiatry, University of New Mexico School of Medicine), provided training for medical students, medical and psychology interns, psychiatry residents, and postdoctoral fellows on unit. Served on the Crisis Intervention Team/Crisis Negotiation Team with the Albuquerque Police Department SWAT activations in community. Served on this VA's Behavioral Review Board, tasked with assessing and managing violent, dangerous, and/or unlawful behavior on Medical Center grounds. Postdoctoral neuropsychological training and supervision during this time provided by ABPP-CN fellows of Albuquerque VA Neuropsychology Service.

2006-2007 **Doctoral Psychology Intern**, Bedford VA Medical Center, Bedford, Massachusetts.

In an APA-accredited program, conducted psychological and neuropsychological evaluations, provided individual and group psychotherapy, and served as a consultant on interdisciplinary teams, in inpatient psychiatry, geriatric, and outpatient contexts.

2003-2006 **Predoctoral Neuropsychology Extern**, Neuropsychology Service, Albuquerque VA Medical Center, Albuquerque, New Mexico.

As part of graduate training in the APA-accredited clinical psychology PhD program at the University of New Mexico, performed clinical interviews, administered neuropsychological and psychological tests, analyzed patient data, formulated treatment plans based on integration of interview, testing, and medical record data, presented results and findings to staff neuropsychologists, integrated data and supervision feedback into a cohesive report, and presented all cases in weekly Neuropsychology Service rounds. Predoctoral neuropsychological training and supervision during this time provided by ABPP-CN fellows of Albuquerque VA Neuropsychology Service.
