SUMMARY OF EXPERTISE

Board-certified Internal Medicine physician with 14 years of clinical experience as a hospitalist in a 302-bed community hospital. Specializes in the evaluation and management of adults who require hospitalization. Broad scope of practice with competence in critical care, surgical co-management, and general inpatient care.

As Chair of the Department of Medicine, supervises the development of policies, procedures and credentialing standards for multiple medical specialties including Family Medicine, Internal Medicine, Cardiology, Pulmonology, Critical Care, Nephrology and Neurology. Responsible for oversight of initiatives to improve patient safety such as peer review and ongoing peer professional evaluation.

As Chief Health Information Officer, in charge of clinical aspects of the Electronic Health Record which pertain to physicians including documentation, order sets, and training.
