## **Professional Engagement Considerations**

Dr. Carol Rupe has provided professional expert witness services to the legal community for more than five years and has reviewed approximately sixty(60) cases:

In the fifty three (53) cases referred to Dr. Rupe by the counsel for the plaintiff to review: seventeen(17) were determined to have no breach in the standard of care, and one was referred to a specialist for standard of care determination.

In the seven (7) cases referred to Dr. Rupe by the counsel for the defense to review: six(6) were determined to have met the standard of care, and one(1) was determined to have not met the standard of care.

Dr. Rupe has been deposed as a medical expert witness thirteen(13) times, and has testified at trial once.

Dr. Rupe has reviewed medical cases, involving jurisdictions from over fifteen(15) states:

California, Colorado, Florida, Georgia, Illinois, Kentucky, Maryland, Maine, Missouri, New York, North Carolina, South Carolina, Tennessee, Texas, Virginia, and West Virginia.

As a matter of full disclosure for her medical practice clientele, she discretely indicates her work as a national expert for medical case reviews on her website - [www.premiere-health.com](http://www.premiere-health.com). She is currently listed on SEAK Experts, and has previously had listings on JurisPro and ALM.
