Re: Edward M. Rouse, CPA

To Whom It May Concern:

The purpose of this letter is to provide Mr. Edward M. Rouse with the strongest possible recommendation for designation as a certified forensic accountant.

Mr. Rouse has appeared in front of me as an expert witness in a criminal case of grave public import. His preparation was complete, his testimony was credible and he manifested the highest professional standards.

On a personal basis, I have formulated strong opinions concerning his positive character and intellect. He is an outstanding professional and is well equipped to take on additional professional designations and responsibilities.

Sincerely,

R. V. Swanson
Circuit Judge
