

## OFFICE ADDRESSES FOR IME EXAMS

**Airell L. Nygaard MD**

Recognizing the geographic size of the Twin Cities metropolitan area, travel distance may occasionally affect Claimant attendance at scheduled examinations. To address this, I have made office arrangements specifically designed to accommodate both the Examinee and the Client.

I contract with REGUS, Inc. for Class A professional office space and can select from 12 office locations throughout the Twin Cities metro area for IME examinations. Each location offers a professional reception area, waiting room, and light refreshments.

By selecting an office location closer to the Claimant's residence, convenience is improved, appointment adherence is enhanced, and overall scheduling efficiency is increased.

Commonly utilized locations are listed below. Office reservations typically require 2-3 weeks' lead time. Appointments may be scheduled on any weekday, with flexible start times.

Please request a preferred office address based on discussions with the Claimant or use of mapping applications.

<b>Metro area</b>	<b>City</b>	<b>Address</b>
Southwest	Bloomington	8400 Normandale Lake Boulevard, Ste. 920
North Central	Brooklyn Center	6160 Summit Drive N, Ste. 200
