REPLY TO SANTA FE OFFICE

February 27, 2015

To Whom It May Concern:

I am writing this letter to highly recommend Robert M. Bernstein, MD, FACE as an expert consultant/witness in the areas of internal medicine, endocrinology, metabolism and diabetes.

Dr. Bernstein received his medical degree from Case Western Reserve University School of Medicine and did his Internal Medicine Internship and Residency at Boston City Hospital. Thereafter, Dr. Bernstein did a Fellowship in Endocrinology and Metabolism at Stanford University Medical Center. He is Board Certified in Internal Medicine and Endocrinology and Metabolism and has been in private practice in Santa Fe, New Mexico since 1979.

I have retained Dr. Bernstein in several cases. He has a depth of experience and knowledge and is able to clearly explain the medical issues from a professional perspective in terms understandable by a lay person. As an expert consultant, Dr. Bernstein was responsive, efficient and thorough.

If additional information is needed, please contact me.

Sincerely,

M. KAREN KILGORE
