Board Certified Psychiatrist**Certified in Addiction Medicine**

Specialty Focus: Addiction Medicine, Hospital, liability, dual diagnosis, involuntary, psychosis, suicide, workers comp, fitness for duty, expert, malingering, sexual contact, disability, diagnosis, psychotropic medication, detox, inpatient, guardianship, violence

Years in Practice: 40 Years Performing IMEs: 20+ IMEs performed: 100+ Deposed/Testified: 25+ times

40 years experience working in psychiatric hospitals, chemical dependency treatment facilities, nursing homes, community mental health centers, and office-based private practice of adolescents and adults with a wide range of psychiatric illnesses and addiction issues. Currently in active practice with a unique ability to perform completely private evaluations in security-sensitive circumstances. Routinely contacted directly to arrange and coordinate independent evaluations, meet with clients without involving others, and can perform evaluations in anonymous locations when necessary. Reports are completed offline without involving any third party in the process (without answering services, recording devices, third party testing, EMR, secretarial/support staff or coordinators, transcriptionists, etc.) ensuring complete privacy throughout the IME process.

Board Certified Orthopedic Surgeon

Personal injuries from slip-and-fall and transportation-related accidents.

Fellow: AAOS, American Assoc. Hip & Knee Surgeons

Attorneys consistently recommend Dr. Nygaard for his professionalism, objectivity, and strong clinical expertise. A highly competent orthopedic surgeon, he conducts Independent Medical Examinations (IMEs) with a clear emphasis on medical accuracy and unbiased judgment. His evaluations are thorough, well-documented, and based on careful review of records, history, and physical findings. In medically complex cases, his reports clearly explain the client's condition in a detailed yet understandable manner. With broad orthopedic experience, he delivers evidence-based opinions that withstand scrutiny and reflect a strong commitment to professional ethics.

Neuropsychology IMEs

Dr. Begali is a licensed clinical psychologist and is double board certified.

She has over 25 years of clinical experience in the treatment and neuropsychological assessment of neurological and psychiatric conditions (dementia, concussion/TBI, stroke, MS, PTSD, toxic exposure, pain, WC work injury).

Her neuropsychological IMEs assess neurocognitive functioning and are used to qualify and quantify dysfunction in personal injury cases, both defense and plaintiff, disability determinations, capacity assessments, fitness for duty, security clearances, and insurance liability cases.
