Explanation of Responses:

1. This amended Form 4 reflects a reduction in the number of options received by the reporting person under the terms of the governing non-employee directors' stock option plan. Due to limited shares remaining available for distribution under that plan, instead of receiving options to purchase 3,500 shares of the company's common stock, the non-employee directors' May 7, 2009 option award was reduced pro-rata such that each non-employee director received 437 options to purchase company common stock. Under amendments to the plan adopted by the Compensation Committee and the Board of Directors on May 29, 2009, each non-employee director received an additional option award covering 3,063 shares of the company's common stock at an exercise price of \$ 33.51 per share, effective May 29, 2009. Each May 29, 2009 option award is contingent on stockholder approval, and, due to that contingent nature, not reportable on a Form 4 Report until approval has been received and the contingency removed.
