**Item 1.01 Entry into a Material Definitive Agreement.**

*Credit Agreement with Wells Fargo Bank, National Association*

On October 31, 2010, Titan Machinery Inc. (the "Company") entered into a Credit Agreement (the "Agreement") with a syndicated group of lenders comprised of Wells Fargo Bank, National Association ("Wells Fargo"), CoBank, ACB, Bank of America, N.A., U.S. Bank National Association, Bank of the West, a California banking corporation, and Bremer Bank, N.A. (collectively, the "Lenders"). The following is a description of certain terms of the Agreement.

The Agreement provides for an aggregate \$225 million financing commitment by the Lenders, consisting of an aggregate floorplan financing commitment of \$175 million (the "Floorplan Facility") and an aggregate working capital commitment of \$50 million (the "Working Capital Facility") (together, the "Facilities"). The Floorplan Facility may be used to advance up to 90% of the value of eligible new inventory plus 85% of the value of eligible used inventory. The Working Capital Facility may be used to advance up to 80% of the Company's eligible accounts, 85% of the value of eligible rental equipment, plus 75% of the Company's eligible parts and attachments inventory, plus 50% of the Company's eligible work in process inventory.

Loans under the Facilities will carry an effective interest rate equal to LIBOR plus an applicable margin of 1.5% to 2.0% per annum, based on the Company's consolidated leverage ratio, except in certain circumstances as provided in the Agreement. Upon certain events of default, all outstanding loans and the amount of all other obligations owing under the Facilities will automatically start to bear interest at a rate per annum equal to 2.0% plus the rate otherwise applicable to such loans or other obligations, for so long as such event of default is continuing.

The Facilities will mature on October 31, 2014. Advances under the Facilities are secured by substantially all of the accounts, equipment, inventory and other assets of the Company and all proceeds of such collateral. The Agreement requires the Company to comply with customary affirmative, negative and financial covenants. Financial covenants include a consolidated leverage ratio of not greater than 2.50:1.00 at the end of each fiscal quarter and a consolidated fixed charge coverage ratio of not less than 1.25:1.00 for the then trailing 12-month period.

The Agreement contains customary events of default, as defined in the Agreement. Upon an event of default, Wells Fargo, at the request of or with the consent of the Lenders, may terminate all existing and future loan commitments and declare all of the Company's outstanding loan obligations immediately due and payable, or pursue on behalf of the Lenders any other available remedies of the Lenders under the loan documents.

A press release describing the transactions set forth in this Item 1.01 is set forth in Exhibit 99.1 attached hereto and incorporated herein by reference.

The foregoing discussion of the credit agreement contains forward-looking statements made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements made herein, which include statements regarding expectations for effective interest rates under the credit agreement, involve known and unknown risks and uncertainties, which may cause the Company's actual results in current or future periods to differ materially from forecasted results.
