SELECT HINGES
SELECT Products Limited

Made in USA
Geared to ship in 48 HOURS™

www.thegreenhinge.com
Over the past 23 years, millions of SELECT Products Limited architectural-grade aluminum Geared Continuous Hinges have been used in schools, hospitals, offices, airports, stadiums, storefronts and commercial and industrial buildings in new construction and retrofit applications.

SELECT offers a Continuous Warranty on our Geared Continuous Hinges (see page 15 for Geared Hinge Warranty statement). We confidently offer this warranty because more than 25 million test cycles at an independent lab proved the durability of SELECT geared hinges. SELECT hinges outperform most entrance components because they distribute door weight along the full length of the door frame. They offer a patented 3-HR. Fire Rating without pins or studs and are approved for both positive and negative pressure. They come in standard 83”, 85”, 95” and 120” hinge lengths, anodized Clear or Dark Bronze and offer a variety of custom lengths, custom anodizing, custom painted finishes and custom electric preparations.

There are no finer, longer lasting, better designed and manufactured geared continuous hinges on the market today.

### BENEFITS OF GEARED HINGES

**LONGER LASTING**
Completely anodized after machining, a SELECT hinge shrugs off the elements and resists wear.

**PARALLEL PERFORMANCE**
Hinge leaves are Pair-Matched and numbered during manufacturing to work smoothly as a unit.

**REDUCED MAINTENANCE**
Wear points are factory lubricated for life.

**FIRE PROTECTION**
Patented 3-HR. Fire Rating option (without fire pins or studs) is approved for both positive and negative pressure.

**EASY-OPENING ON EXTRA-HEAVY DOORS**
Full-length continuous gears support the whole door, move smoothly with the least effort.

**CONSTANT PROPER ALIGNMENT**
Gears align entire door to frame for less deflection, warp or sag.

**SMOOTH OPERATION**
Self-lubricating bearings assure quiet, long life.

**LOWER SERVICE LIFE COSTS**
SELECT Geared Continuous Hinges are covered by a Continuous Warranty.

**INCREASED SECURITY**
Full-length gears and channel covers prevent tampering.

**EASY INSTALLATION**
Templated screw hole patterns allow advance preparation for precise fit with no wasted time.

**RAPID INSTALLATION**
410 SS Self-Drilling, Thread-Forming screws with added corrosion protection.

**LESS-COSTLY INSTALLATION**
Non-handed hinge design prevents mistakes.

**EASY UPGRADES**
The same screw hole patterns on Standard and Heavy Duty hinges allow easy interchange should doorway traffic increase.

**EASILY MODIFIED**
Add electrical power transfer, custom colors, etc.

### STANDARD ORDERS

- **Shipping**
  48 hours or less ARO for standard products. Large quantities and custom processing may require additional time.

- **Drop Shipments**
  There will be a charge of $15 net for drop shipments.

- **Terms**
  Net 30 days.

- **Freight**
  Net amounts of $1,500 or more: Prepaid and allowed, routing of our choice. (48 contiguous states and Canada only.) Net amounts less than $1,500: Freight costs are prepaid and added. (48 contiguous states and Canada only.)

- **Special Shipments**
  Oversized shipments (greater than 95” long) will ship via FedEx 3-Day or truck only. Additional fees may apply to orders shipped outside the 48 contiguous states, special packaging and advance notification requests. Please consult with SELECT.

### GEARED HINGES IN STOCK

- **Lengths**
  83” / 85” / 95” / 120”. SELECT hinges are normally 1” shorter than actual opening height. Custom lengths can be ordered (see page 4).

- **Standard Colors**
  Anodized after machining. Custom colors can be ordered (see page 4). CL=Clear BR=Dark Bronze BK=Black (in stock: SL11 only)

- **Load/Frequency Rating**
  For 1-3/4” doors except where noted; 48” max. door width. Frequency of use and door weight determine the hinge duty needed. SELECT Geared Continuous Hinge model numbers indicate appropriate hinge duty.

- **Standard Duty [SD]**
  For medium-frequency doors up to 200 lb.

- **Heavy Duty [HD]**
  Up to 200 lb. for high-frequency doors; up to 400 lb. for medium-frequency doors; up to 600 lb. for low-frequency doors.

- **Heavy Duty [LL]**
  Our HD hinge with additional fastener holes for low-frequency doors up to 1,000 lb., including most lead-lined doors.

- **Door Insets**
  Choose the SELECT hinge model to match your door inset. Door insets are indicated next to applicable hinge models listed on pages 6 – 9.
**ELECTRICAL MODIFICATIONS**

No discounts apply to net add items.  
Specify prep locations from top of hinge.  
See SELECT catalog for specific prep locations.  
Hinges prepared with electrical modifications are non-returnable.

- **Electric Power Transfer [EPT] Prep**  
  EPT prep .................................. $35 net add per prep

- **Exposed Electric Monitor Switch [EMS]**  
  EMS .................................. $35 net add per EMS

- **Concealed Through-Wire [CTW]**  
  Continuous electric conductors fit in bearing slots. See SELECT catalog for templates. Per conductor: 12V-24V AC/DC @ 3-6 amps. Ultra flexible 22 gauge wire with 8" leads per leaf. All CTW options available on heavy duty (HD) and standard duty (LD) models SL11, SL14, SL18, SL24, SL26 and SL27. Standard and heavy duty model SL57 and standard duty models SL11, SL14, SL18, SL24, SL26 and SL27 available with 4- or 5-wire CTW only. Handling required, except for SL11 and SL27.

  - CTW-4 (4-wire) .................. $90 net add per CTW-4  
  - CTW-5 (5-wire) .................. $95 net add per CTW-5  
  - CTW-8 (8-wire) .................. $105 net add per CTW-8  
  - CTW-10 (10-wire) .............. $115 net add per CTW-10  
  - CTW-12 (12-wire) ............. $130 net add per CTW-12  
  - Extra-long leads (48" max.) .... $21 net add per CTW

- **Concealed Adjustable Magnetic Monitor Switch [CMG Prep]**  
  CMG Prep .......................... $80 net add per CMG

**NOTE:** Lead times may vary depending on the number of hinges to be custom prepared. Large volume orders extend lead times. Please contact SELECT for verification of the lead time required. Changes or cancellations on custom processed orders are subject to charges for work already performed and materials utilized.

---

**ELECTRICAL ACCESS PANELS**

No discounts apply to net add items.  
Specify prep locations from top of hinge.  
See SELECT catalog for specific prep locations.  
Hinges prepared with electrical modifications are non-returnable.

- **Electrical Access Panels**  
  **NOTE:** Electrical modification not included and must be ordered separately.  
  Electrical Access Panels [RP Prep] or [AP Prep] are recommended for EMS, CTW and CMG Preps.

  - Removable Panel [RP Prep] ........ $70 net add per RP  
    Panel can be removed to service electrical wiring without removing door.

  - Access Panel [AP Prep] ........... $80 net add per AP  
    Panel opens to allow electrical diagnostics.

  SHOWN:  
  RP Prep ({$70.00 + CTW-4 ($90.00)}) $160.00 net  
  AP Prep ({$80.00 + CTW-4 ($90.00)}) $170.00 net

GEARED Continuous Hinges Product Selection

CUSTOM PROCESSING

No discounts apply to net add items. Hinges prepared with custom processing are non-returnable.

- Express Shipments .................. $10 net add per hinge
  Need hinges in a hurry? Order by noon (EST) and most hinges can be shipped out the same day.

- Special Packaging .................. $10 net add per package
  Specially reinforced packaging to prevent in-transit damage.
  (Example: single hinges, gear caps, covers and shim stock.)

- Master Marking ....................... No charge

- Individual Hinge Marking .......... $1.00 net add per hinge

- Extra-Long Hinges [LH Prep] ...... $40 net add per splice
  Hinges over 120" up to 168" maximum. Leaves are spliced together, with a staggered joint and continuous gear cap.
  Pricing based upon number of hinges used to assemble extra length plus splicing charge per hinge. Handing required except for SL11, SL21, SL27, SL40 and SL57. Not available on SL31, SL38, SL44, SL48 or SL60/62.

- Custom-Cut Hinges [MACH Prep] ... $5 net add per hinge
  Cutting more than 5" off standard length (excluding SL60/62). For SL60/62, contact SELECT for a quote.

- Cutting Hinges in the Field  See SELECT Installation Instructions and Warranty for specific information regarding field alterations.

- Dutch Door Hinges [DD Prep] ...... $35 net add per hinge
  Frame leaf is furnished as a continuous length. Door leaf is cut to fit the specified Dutch Door height. Required: Handling and measurements for net hinge length, top door leaf length, bottom door leaf length and clearance (3/16" min.) between top and bottom leaves. Not available on SL60/62.

ACCESSORIES

No discounts apply to net add items.

- Shim Stock [SH8X1295] ............... $13 net add each
  To reduce clearance between the door and frame with Concealed hinges, or to provide additional door inset from the frame with Full Surface and Half Surface hinges.
  1/8" x 1-1/2" x 95" Clear anodized, no holes.

- Rivnuts & Long Fasteners .......... $1.75 net add per pair
  Pair: 12-24 x 1" hinge screw with Rivnut. Clear or Dark Bronze.

- Rivnut Installation Tool .......... $120 net add per tool

- Door Leaf Replacement Cover ...... $18 net add per cover
  For SL21, SL53, SL54 and SL57. Clear or Dark Bronze.

- Frame Leaf Replacement Cover ... $18 net add per cover
  For SL57. Clear or Dark Bronze.

- Lead Lined Door Leaf Cover ...... $45 net add per cover
  For SL21, SL53, SL54 and SL57. Clear or Dark Bronze.

- Lead Lined Frame Leaf Cover ...... $45 net add per cover
  For SL57. Clear or Dark Bronze.

CUSTOM COLORS (non-returnable)

- Bone White Gear Cap ............... $21 net add per hinge
  Color: Bone White only; 2 coats Kynar 500, 70% resin
  Valspar: 391X035  PPG: UC43350
  In-Stock: Lengths 95" and under.

- Custom Anodized Colors .......... Contact SELECT for quote
  SELECT hinges are available in a wide variety of custom anodized colors, including:
  BK = Black (in stock: SL11 only)
  CH = Champagne
  Orders require a set-up charge. Lead time of up to 6-8 weeks may be needed.

- Custom Kynar® Paint Color .... Contact SELECT for quote
  Gear caps or entire hinges on all models of SELECT hinges can be custom painted. Custom paint orders are individually quoted and require color approvals. Lead time of up to 4-6 weeks may be needed.

FIRE-RATED GEARED HINGES

All SELECT hinges have been UL® tested and listed to 90-minute Fire Rating Standards without fire pins or studs—at no extra cost (excluding SL71 and Toilet Partition models).

Patented Design Option

Only SELECT's patented process allows A-Label Fire Listing for up to 3 hours without fire pins or studs. SELECT hinges have been tested by Underwriters Laboratories, Inc. to meet the Positive and Negative pressure requirements of UL10B, UL10C and UBC 7.2 (1997).

The following hinges are listed by Underwriters Laboratories, Inc. to U.S. and Canadian safety standards: Door Hinges SELECT Products Limited, Portage, MI 49024 R16019

Models SL11, SL14, SL18, SL21, SL24, SL26, SL27, SL31, SL38, SL40, SL41, SL44, SL48, SL53, SL54, and SL57 for use on swinging single or pairs of fire doors, including double egress, up to 3 hours (not available on SL38) for hollow metal or steel covered composite and 1-1/2 hours for wood composite and wood core type fire doors with a maximum size of 4 ft. wide and 10 ft. high, installed in masonry or drywall.

- UL Labeled 3-HR. Fire Rating
  [FR3] ............... $15 net add per hinge
  Not available on SL38.

ADDED SECURITY

- Security Option [SO Prep] .......... $20 net add per hinge
  Non-removable bearing added at top of hinge to prevent material from falling into the opening between cap and gears. Hinge must be installed with security bearing at top of door. Handing required, except for SL11, SL27, SL38 and SL40. Not available with Hospital Tip.

- Tamper-Resistant Hinge
  [SO Prep B] .................. $20 net add per hinge
  Entire hinge prepared with set screws installed in every other bearing and tightened against inside of gear cap for additional security against tampering.
LIGATURE-RESISTANT HOSPITAL TIPS

- **TIPIT® for Full Surface, Half Surface, Swing Clear and Concealed Safety Hinges**
  
  **[TIPIT L]** ........................................... $40 net add per hinge
  
  For SL21 and SL57 full surface hinges, SL53 and SL54 half surface hinges, SL41 swing clear hinges and SL71 concealed safety hinges. Mounts on surface of frame, above the hinge. **Retrofit applications:** Fits above most brands of full surface, half surface and swing clear-type continuous geared hinges. Includes large TIPIT® and four (4) #10 Torx® security screws. Available in gray (G) or black (B). Patented design.

- **Hinge Preparation for TIPIT® L**
  
  **[TIPIT PREP]** ................................. $10 net add per hinge.
  
  For SL21 and SL57 full surface hinges, and SL53 and SL54 half surface hinges. Factory preparation of door leaf covers, for field installation of TIPIT. Specify [TIPIT PREP] on your hinge order. Patented design. **NOTE:** Order TIPIT L separately.

- **TIPIT® for Concealed Hinges (excluding Concealed Safety Hinges)**
  
  **[TIPIT C]** ....................... $15 net add per hinge
  
  For new or retrofit applications of most concealed hinges. Mounts on surface of frame, above new or existing continuous hinge. Fits above most brands of concealed continuous geared hinges. Includes small TIPIT® and one (1) #10 Torx® security screw. Available in gray (G) or black (B). Patented design.

- **Hospital Tip [HT Prep]** ............... $30 net add per hinge
  

GEARED HINGE FASTENERS

The **SDTF fastener is standard.** All hinges are shipped with Self-Drilling, Thread-Forming, Stainless Steel Screws (SDTF) unless requested otherwise. With the exception of Torx® security fasteners, fasteners listed below may be requested at no upcharge, and must be specified on the original purchase order.

**NOTE:** We do not recommend the use of self-drilling, thread-forming screws in grouted frames.

- **SDTF** 12-24 x 3/4”, Self-Drilling, Thread-Forming, 410 SS Screws, Phillips Undercut Flathead

- **TF** 12-24 x 1/2”, Thread-Forming, 410 SS Screws, Phillips Undercut Flathead (Pilot hole required)

- **WD** 12-14 x 1-1/2", 410 SS Wood Screws

- **WD/SDTF** 12-14 x 1-1/2", 410 SS Wood Screws and 12-24 x 3/4", Self-Drilling, Thread-Forming, 410 SS Screws

- **WD/TF** 12-14 x 1-1/2", 410 SS Wood Screws and 12-24 x 1/2", Thread-Forming, 410 SS Screws

- **Torx® Security Fasteners**

  **Special Bit** ................................. $1.00 net add

  For Metal Doors ................ $0.40 net add per screw

  Tamper-resistant 12-24 x 1/2” 6-lobe T-25 with pin. Clear or Dark Bronze.

  For Wood Doors ................ $0.50 net add per screw

  Tamper-resistant 12-14 x 1-1/2” 6-lobe T-25 with pin. Clear or Dark Bronze.

  **Shoulder Screws** .............. $1.40 net add per screw

  Tamper-resistant 1/4-20 6-lobe T-25 with pin. Clear or Dark Bronze.

How can a hinge be GREEN?

Pre-consumer recycled aluminum and 60+ year product life cycle.

- Tested to withstand 25 million cycles — 10 times beyond Grade 1 cycle count.

- Saves energy and materials used to produce replacement hinges and doors.

- Saves landfill space taken by worn-out hinges and damaged doors.

- Saves heating and cooling energy lost by entryways that don’t seal due to damaged hinges.

- Qualifies toward LEED points for recycled content, low-emitting materials and regional materials (depending on location).

**For additional documentation on GREEN SELECT hinges, visit www.thegreenhinge.com**

*NOTE: Custom lengths are available and require handing, except SL11, SL21, SL27, SL38, SL40, SL57 and SL60/62.*
SELECT offers Pin & Barrel Continuous Hinges for those customers who sometimes require hinges made of steel or stainless steel. SELECT Products Limited remains focused on providing you the highest quality products, superior service, and consistently shipping your orders within 48 hours. SELECT Pin & Barrel Continuous Hinges will be shipped within 48 hours ARO. Large volume orders may require longer lead times.

## PIN & BARREL HINGES IN STOCK

- **Lengths** 79" / 83" / 85" / 95" / 119"
  SELECT hinges are normally 1" shorter than actual opening height. Custom lengths can be ordered (see page 11).
- **Hinge Duty** All SELECT brand Pin & Barrel Continuous Hinges (excluding SL3500 and Toilet Partition models) are designed for 1-3/4" doors, medium-frequency up to 400 lb. or low-frequency up to 600 lb. (4 ft. maximum door width).
- **Finishes** US32D Satin finish is standard on all stainless steel hinges. Standard carbon steel hinges are zinc plated. Standard aluminum hinges have a bright dipped anodized finish. Custom finishes, including painted and polished, are available (see page 11).

## STANDARD ORDERS

- **Shipping** 48 hours or less ARO for standard products. Large quantities and custom processing may require additional time.
- **Terms** Net 30 days.
- **Freight**
  - Net amounts of $1,500 or more: Prepaid and allowed, routing of our choice. (48 contiguous states and Canada only.)
  - Net amounts less than $1,500: Freight costs are prepaid and added. (48 contiguous states and Canada only.)
- **Special Shipments** Oversized shipments (greater than 95" long) will ship via FedEx 3-Day or truck only. Additional fees may apply to orders shipped outside the 48 contiguous states, special packaging and advance notification requests. Please consult with SELECT.

## FIRE-RATED PIN & BARREL HINGES

- **UL® Labeled Fire Rating** The following SELECT Pin & Barrel Continuous Hinges have been tested by Underwriters Laboratories, Inc. to meet the Positive pressure requirements of UBC 7.2 and are listed by Underwriters Laboratories, Inc. to U.S. and Canadian safety standards:
  - Models SL300, SL302, SL303, SL305, SL306, SL308, SL309, SL310, SL311, SL315, SL3500 and SL200 for use on single-mounted doors, up to 3 hours for hollow metal doors, 1-1/2 hours for hollow metal and composite core wood fire doors, and 20 minutes for wood doors.

## DUST-FREE (MEDICAL) BEARINGS

- **Dust-Free (Medical)** flanged double bearings are standard on all SELECT Pin & Barrel continuous hinges except Toilet Partition hinges.
  - Prevent metal-to-metal contact for longer hinge life
  - Eliminate dust for "clean room" applications.

### PIN & BARREL FASTENERS

All SELECT Pin & Barrel Continuous Hinges and edge guards are shipped with a corresponding screw pack unless requested otherwise. The Adjusta-Screw™, shown below, is an optional fastener on models SL305, SL308 and SL310.

#### Optional Fasteners

- **Adjusta-Screw™ [AS]** 
  - Designed to correct frame fit variances up to 3/8". Right-hand thread.

- **Security Fasteners [SF]** 
  - Contact SELECT for quote

<table>
<thead>
<tr>

<th>Price Notes</th>
</tr>
</thead>
<tbody>
<tr>
<td>Tamper-resistant spanner head and Torx® head fasteners are available to replace standard fasteners for added entryway security.</td>
<td></td>
</tr>
</tbody>
</table>

**NOTE:** Lead times may vary depending on the number of hinges to be custom prepared. Large volume orders extend lead times. Please contact SELECT for verification of the lead time required. Changes or cancellations on custom ordered items are subject to charges for work already performed and materials utilized.

### CUSTOM PROCESSING

No discounts apply to net add items. Handing required for all custom processing. 
Hinges prepared with custom processing are non-returnable.

- **Dutch Door [DD]** 
  - $41 net add per hinge (Frame leaf is furnished as a continuous length. Door leaf is cut to fit the specified Dutch Door height. Required: Handing and measurements for net hinge length, top door leaf length, bottom door leaf length and clearance (3/16" min.) between top and bottom leaves.)

- **Hospital Tip [HT]** 
  - $38 net add per hinge (Hinges can be prepared with slanted tips for hospitals and correctional facility applications. Handing required. Available only on SL300, SL305, SL315 and SL200.)

- **Wide Throw [WT]** 
  - $90 net add per ETAP (Contact SELECT for quote for non-standard locations. Handing required. Engineering drawing required.)

- **Automatic Door Bottom Cut [ADBC]** 
  - $38 net add per ADBC

- **Raised Barrel [RB]** 
  - $35 net add per hinge (Swaged door leaf for Concealed and Half Surface hinges allows door to open 180°. Handing required.)

- **Security Studs** 
  - Stainless steel studs are mounted to frame leaf, door leaf is drilled to accommodate studs. 3 studs are required for hinge lengths up to 85", 4 studs are required for hinges longer than 85". Handing required. Door and frame must be specially prepared to accommodate security studs. 
    - [SECSTUD3] $63 net add per hinge
    - [SECSTUD4] $80 net add per hinge

- **Sheared Leaf [SHFL]** 
  - $47 net add per hinge (Used for narrower door thicknesses, unevenly rabbeted frames or other special applications. Specify leaf width from pin centerline when ordering.)

- **Custom Hole Pattern [CHP]** 
  - $72 net add per hinge (Hole shapes or patterns other than standard must be indicated with dimensioned diagrams when ordering.)

- **Blank Hinge [B]** 
  - $45 net add per hinge

- **LL Cover [LLCVR]** 
  - $300 net add per cover

- **LL Astragal [LLAST]** 
  - $100 net add each

- **Cutting Charge [CUTCCHG]** 
  - $33 net add per cut

- **Paint, Powder Coat [PAINTPC]** 
  - Contact SELECT for quote for Scratch-resistant, 7 standard colors. Lead time 4 weeks min.

- **Paint, Kynar [PAINTKY]** 
  - Contact SELECT for quote for aluminum hinges. Lead time 4 weeks min.

- **Edge Guard Preps [EG]** 
  - $27 net add per prep

SL308 edge guard can be prepared for: 161 latch bolt; 86 mortise lock; ASA strike; 161 strike; manual flush bolts; auto flush bolts.
BHMA CERTIFIED — Cycle Requirements per BHMA Standard ANSI / BHMA A156.26 2000

Select Products Limited will replace your Select Geared Continuous Hinge if it ever fails under normal use, as long as it was installed in accordance with the installation instructions enclosed with every new Select hinge.

Select Products Limited warrants its Geared Continuous Hinges to be free from defects in material or workmanship. This warranty is continuous and has no time limit.

The durability delivered by Select Hinges’ Pair-Matched™ hinge leaves, lifetime lubrication and anodizing after machining has been proven in independent performance testing surpassing 25,000,000 cycles.

Tested to withstand 60 years of heavy traffic
Our SL11 HD geared continuous hinge surpassed more than 25,000,000 cycles — 10 times beyond Grade 1 cycle count — in ANSI-approved physical endurance testing. In the real world, that’s equivalent to 60 years on a typical high-traffic entrance.

Learn more at www.select-hinges.com/cycletest.

Electrical components warranty
All electrical modification components on Select Geared Continuous Hinges have a 5-year warranty. Electrical modification components on Pin & Barrel Continuous Hinges have a 5-year warranty.

Payment terms
Terms are net 30 days from the date of invoice, following credit approval. No C.O.D. orders will be accepted. Interest of 1.5% per month will accrue on any charges unpaid after 30 days from the date of invoice. Shipment will be held on subsequent open orders on accounts unpaid after 45 days from date of invoice until payment is received in full. Once payment of all outstanding 45-day+ invoices is received in full by Select, the order will be placed into production (if custom) and/or shipped (if stock items). Accounts unpaid after 90 days will automatically be subject to CIA terms on subsequent open orders.

Applicable Federal, State or local taxes are not included in the prices quoted. Should any license fee, property, sales, use or excise tax be levied or assessed by the Federal, State or local law upon any goods which are the subject matter of the price list, they shall constitute an extra and shall be paid by the buyer. If a surety bond is required in connection with a contract to furnish these goods, the premium shall be added to the contract.

Cancellations
Changes or cancellations on custom orders, including Fire-Rated products, will be subject to charges for work already completed and materials utilized.

Partial shipments
Partial shipments may be made on open orders to expedite delivery. Partial or multiple drop shipment requests subsequent to originally quoted and/or acknowledged orders may be subject to re-pricing and re-assessed for freight charges. Partial shipments will be invoiced at the time of shipment and will be payable individually, including freight if applicable, under the terms stated above.

Return of goods
Select Products Limited’s restocking fee is 35%. Only stock hinges without modifications are eligible for return. Hinges with custom colors, special lengths, cutouts, electrical preps or other custom processing cannot be returned.
