

American Welding Society®

OKLAHOMA CITY SECTION

Oklahoma City Section
Invites You to the February Technical Meeting
Tuesday February 13th, 2018

Diner will be served @ 6pm, meeting begins @ 7pm

Cost: AWS members - \$10, AWS student members - \$7

**We will meet at: The Boardman Company, 1135 S. McKinley Ave.,
Oklahoma City, Oklahoma**

Topic: SAW (Submerged Arc Welding)

Speaker: Michael Heinrichs, VP of Operations at Boardman.

Michael has been with Boardman for 11 years, starting out as a welder and moving on to QC, weld tech (welding engineer), Manufacturing Manager and now the Vice President of Operations. He is active on the ASME section IX BPV Code Committee and is an active member of the Section IX Resource and Development Group, which gives code interpretations and sets the rules and guidelines for welding qualifications, welder performance qualifications, and welding code requirements.

This will be an informative meeting, and we hope to see you there. Contact John Trotter @ (405) 919-4654 if you have any questions. Follow your Oklahoma City AWS Section on Facebook for the latest updates and events. <https://www.facebook.com/AWSOklahomaCity>
