The York – Central Pennsylvania Section is Pleased to Host
The 1st Annual District 3 Spring Meeting

The concept for the Annual District Spring Meeting is be open to all AWS members and guests in each of our Sections. While this is being reference as a meeting it will be much more of a social event. The thought is we would do a tour of a local manufacturing facility. This would then be followed by a formal dinner at an area conference center. At which we will have an arrange presentation of interest and then on to an awards and recognition ceremony.

WHEN: Thursday April 12, 2018
