

Join the AWS North Texas section as we visit the University of North Texas Denton Campus. Our guests will be able to watch a presentation about laser and friction-stir welding. Despite the importance of these processes many welders never get the opportunity to learn about them first hand. Now is your chance.

**Our April meeting is going to be at the Pipefitters Union of Garland Local 100. They will be discussing the apprentice program and what being a union welder is all about. We will also be presenting the**

awards for the Welding Rodeo competition. See you on April 17th! Watch your email for more information to come.

### **Join us for the annual Sporting Clays Fundraiser**

Make sure to get your tickets from a section officer for your chance to participate in a great event. The shoot will be at the Alpine Gun Range in Fort Worth on April 14th. All funds raised during the shoot will go towards the Tim Hatten Memorial CWI Scholarship. Individual and Team event options as well as food and fun! Stay tuned for more information.

You can buy your tickets here: <https://northtexasannualclayshoot.eventbrite.com> or from a section officer.

### **Attention College Students and Teachers!**

Mark your calendars for April 17th. The North Texas Section is hosting the North Texas Welding Rodeo. College students will be given the opportunity to compete for prizes and bragging rights in both individual and team events. This is only available to currently enrolled students or students who have graduated from a non-traditional school calendar year trade school within 60 days of the event. Emails were sent with the colleges in the section. Registration ends April 2nd. If you did not receive a flyer or you would like more information contact [northtexas@awssections.org](mailto:northtexas@awssections.org)

### **Don't forget the canned food drive.**

2 cans of food for the North Texas Food bank and receive 1 ticket for the drawing to be held at the end of monthly section meetings!

#### **Tim Hatten Memorial CWI Scholarship!**

This scholarship is for those of you who meet the minimum qualification to become CWIs. It will cover the cost of your exam while the you serve as the section representative in the seminar getting the knowledge and books for no cost. This is a great opportunity for the growth you're looking for in your career.
