May 3rd Dinner Meeting

featuring

Michael Russell
District Sales Manager
Abicor Binzel USA

presenting on

Welding Torch Advancements

Michael Russell started his career in welding equipment sales at Merriam Graves in St. Johnsbury, VT in 1978. He has subsequently gone on to work for Air Liquide, Bridgestone/Firestone Tire Co, Victor Equipment Co, Tregaskiss/Bernard, Miller (fume - extraction), and most recently at Abicor Binzel with welding torch sales.

Sample Technical Question:

To what degree do fume-extracting MIG guns remove welding fumes?

Students: There are excellent opportunities for learning and networking at our monthly dinner meetings. Meet other students and become acquainted with industry professionals in the Puget Sound area. There are also many scholarships available to students who are studying welding, fabrication, or welding engineering.
