KEEP LEARNING: Keep Your Career Growing

Whether you are new to welding or seeking advanced training to pursue bigger opportunities the AWS Kansas City Section provides funding assistance to help you reach your goals. Scholarships are for a student pursuing a certificate, associates or bachelors degree, located in the Kansas City Section.

- Richard 'Dick' Emmitt Blaisdell Scholarship
- Roland Edward 'Buck' Emmert Scholarship

For more information on these scholarships, please visit the Kansas City Section website at <http://sections.aws.org/kcity>

The AWS Foundation also offers:

- AWS District Scholarship, for a student pursuing studies at a trade/technical school, community college, or university.
- AWS National Scholarships, all for a student pursuing bachelor degrees, except for two for associates degrees.
- AWS Educators Scholarships, for Educators pursuing additional studies for advanced degrees or professional development courses.
- Welder Training Scholarship, for a student pursuing studies to be a welder.

For more information on these scholarships, please visit the AWS Foundation website at www.aws.org/foundation/page/scholarships
