Dear Syracuse Section AWS Members:

Our next Section meeting is scheduled for Wednesday, May 9th, 2018 at 6:00PM.

**New York State DOT Field Welder Qualification Testing Process**

*To be presented by: Gordon McCaffer, Welder/Fitter Instructor and Section Chairman*

Section Chairman Gordon McCaffer will do a presentation on the New York State DOT Field Welder qualification testing process. He is the full-time adult Welding Instructor at Main Campus and a current DOT and AWS Certified Welder. The Weld Lab at Main Campus is the authorized New York State DOT Field Welder testing location for DOT Region 3 which comprises Onondaga, Cortland, Cayuga, Oswego, Seneca, and Tompkins Counties. Come learn the process of becoming a NYS DOT Certified Welder including test specifications and some pointers.

**LOCATION**

OCM Boces  
110 Elwood Davis Road  
Liverpool, NY 13088  
Meeting Room # 136  
Enter at Rear of Building  
Event to start 6:00 pm
