RSVP/Contact Information: Click [Here](#) or arizona@awssections.org

Your Arizona section leaders would like to welcome everyone to a presentation by AWS President Dale Flood. Dale started as a Pipefitter/welder, worked as a weld superintendent at several nuclear facilities supervising manual and mechanized welding operations. Currently working as a Welding Project Manager, he has numerous patents for welding automation. As President of the American Welding Society he serves on the Board of Directors, a member of the D10 Committee on Piping and Tubing, the D10U Sub-committee on Orbital Pipe Welding, is on the Sacramento Section Executive Committee, and numerous other professional development committees. He previously served as the District 22 Director covering northern California and Nevada, an AWS Director-at-Large nationally and as an AWS Certified Welding Inspector exam supervisor.
