AWS Central Louisiana Section 509 - May 2020

Greetings AWS Central Louisiana Section Members & Friends.

We hope all is well with our membership during the current COVID-19 crisis; it has been difficult to conduct meetings with current restrictions. It is our hope that we will be able to conduct a membership meeting in June.

In our last mailing we announced that in May we would hold an election for Officers for the AWS Central Louisiana Executive Committee. As of the 5/15/2020 deadline we have had no one nominated for any of the posted positions. With that, the current Executive Committee will retain their positions unopposed for the next calendar year 6/1/2020-5/31/2021 the executive committee will consist of the following;

Chairman	Tom Malo
Chairman – in Training	Michael Stuchlick
1st Chair	David Moore (appointed)
2 nd Chair	Sean Jones
Treasurer	Brandon Dubroc
Secretary	Sammy Bass
Past Chairman	Don Sanders
Librarian	

If any of the AWS Central Louisiana Section members have meeting topic or suggestions for future meeting or meeting locations please contact Tom Malo at tom.malo@distran.com

Thank you,

The AWS Central Louisiana Board
