~ November 2019 ~

The Official Newsletter of the Chattanooga Section
of the American Welding Society

November is our Chattanooga Section Membership Appreciation Dinner. This is a time where we invite our spouses and/or close friends to join us and show our gratitude not only to them for the ongoing support throughout our careers, but to some of the individual members for milestones hit, commitments to service or selfless contributions to the welding community.

We are looking forward to our speaker, Kate Warren, and the fun and fellowship that this event continues to provide year after year!

Please RSVP by Friday the 15th to:
alex_hockman@lincolnelectric.com

We look forward to seeing everyone there!

Section Chair,
Thomas Atkinson

American Welding Society®
CHATTANOOGA SECTION

The American Welding Society was founded in 1919 to advance the science, technology, and application of welding
