AWS Social and Brewery Tour Tuesday, September 10th, 2019 Forest City Brewing 2135 Columbus Rd Cleveland, Ohio 44113

AWS Cleveland Section meetings are starting back up! After the normal summer break from holding meetings, the AWS Cleveland Section is hosting a Social and Brewery Tour. All are welcome to come network with others who work in the welding industry. The meeting will be on Tuesday, September 10th at Forrest City Brewing in Cleveland, OH with a 6:00 PM Social followed by dinner at 6:45 PM and a tour. Two drink tickets will be included with your meal!

originally constructed in 1915 and has been home to many companies over the years ranging from a canning factory to a dance studio.

The meeting starts at 6 pm. We need an accurate head count to ensure there are enough meals for everyone. The cost of the dinner is \$20 dollars (\$12 for students) when reservations are made. Dinner rates are \$22 (\$14 students) when paying at the door without reservations. RSVP with Mike Barrett through phone, or email. For reservations and dietary restrictions, please contact Mike at 1-216-383-8345 or mike_barrett@lincolnelectric.com.

AWS Cleveland Section Scholarships

For many years the Cleveland Section named scholarships have continued to assist students learning to weld, students enrolled in four-year university degree programs, and career welders

Jay Demagall, of Forest City Brewery, will give a tour of the building after dinner. This is the fourth establishment named Forest City Brewery to exist in Cleveland. The first two breweries to carry the Forest City name were both founded before the Civil War. The building is the oldest surviving beer garden in Cleveland. The beer garden was originally called the Atlantic Tavern. The large warehouse was

learning a new process, or returning to college and this auction is the primary fund raiser for scholarships.

These four named scholarships, the **John Gerken**, the **Jack Buck**, the **Rodney Belden**, and the **Ray Sacha**, represent members of the Cleveland Section who not only devoted time and energy to the welding industry but donated money to create scholarships. Each has a specific focus.

The **Gerken Award** assists a student attending a welding related program at a community college or university level for up to four years.

The **Buck Award** lends a hand to a student developing pipe welding skills at the Lincoln Electric Welding School.

The **Sacha Award** encourages a student to develop welding skills at the Lincoln Electric Welding School before or during the pursuit of a post secondary degree in a welding related program.

The **Rodney S. Belden Award** is given out every two years by the Cleveland Section. It is a Scholarship that inspires education that will help propel the welding supply and compressed gas industry forward.

These scholarships are awarded to residents within the Cleveland Section boundaries -- Sandusky to Ashtabula, Cleveland to Akron. You do not have to be an AWS member or related to an AWS member to receive a scholarship.

Scholarships are also available through AWS at the district and National level. Visit www.aws.org for more information.

SPONSORS

Many of our sponsors offer their time as board members and volunteers and donate items for our annual auction, please support them.

Every month during the Section's business year, over six hundred welding professionals see the ads in this newsletter. That's over 5,000 opportunities each this year. Many of those welding professionals make purchasing decisions. A business card ad is a great way to get a buyer's attention and show support for the Cleveland Section. Please contact Harry Sadler at maineoutpost@gmail.com for more information. A business card ad is only \$200 for the entire year.

CWIs are responsible to keep track of their Personal Development Hours. A form for tracking PDHs is available at the Welcome Table and can be used to track PDHs at Cleveland Section meetings and other technical society meetings. The Cleveland Section does not keep attendance records and cannot verify that an individual attended a specific meeting.
