American Society of Nondestructive Testing President Scott P.Cargill began his career in January of 1993, working at Valley X-ray. Through diligence and hard work he advanced from helper, certifying as a Level 2 technician and a decade later, earned his level 3 in Radiography. Mr. Cargill has been an active member of ASNT's Industrial Radiography Radiation Safety Personnel (IRRSP) program, which as provided third-party radiation safety of both Title 10 Part 34 of the Code of Federal Regulations (10CFR34), and the Suggested State Regulations for Control of Radiation. Mr. Cargill is a member of ASNT's Certification management council, board of directors; and now serves as ASNT's President. Mr. Cargill holds five Level 3 certificates through the ASNT Central Certification Program (ACCP), CWI, API 510 and 570. Mr. Cargill continues to focus on the needs of our members and his original mission of promoting Radiation Safety and the IRRSP program.
