

AWS Lakeshore Section

Tour of D&S Machine Service

January 16, 2020

In January the AWS Lakeshore Section will be touring D&S Machine Service. Based in Luxemburg WI, D&S has been servicing the Fabrication, Machining, and Engineering services segments since 1986. D&S boasts a wide array of machining and fabricating capabilities, including CNC Boring Bars, Forming, Welding, Cutting & Burning, Painting and Assembly. D&S is also in the process of adding 50,000sqf and installing a new cutting table & robotic welding cell to further enhance their capabilities.

During dinner there will be a 50/50 raffle to raise money for the scholarship fund.
