

AWS **Job Fair**

May 23rd, Job Fair & Scholarship Awards Night

AWS Milwaukee Section's Job Fair. The only job fair focused on careers in welding. Everyone is looking for welders, students, and veteran welders to help build their business. Personnel in weld related careers will be in attendance including weld shop managers, weld technicians, welding inspectors, robotic welding operators, and welding instructors. Come find the job(s) that appeal to you and the right people to jumpstart your future career. **Employers and job seekers should apply immediately.** Space is limited, be sure you are there and that your company is represented. This is the place to take that next step. Find a way to move up and discover your star employee/employer.

Check-in & Set-up 4:30pm
