Topic: Careers in Welding

Speakers:

Join us and hear from industry professionals from just a few of the wide range of career paths that incorporate, serve and support welding. If you're interested in a career in welding, do not miss this opportunity to hear directly from professionals with backgrounds covering:

- Welding & Cutting
- Equipment and consumable sales
- Inspection
- Management & Planning

While this is not a job fair, representatives on site may have positions open. Contact John Trotter @ john_trotter71@hotmail.com if you have any questions. Follow your Oklahoma City AWS Section on Facebook for the latest updates and events.
