

American Welding Society®

CELEBRATING 100 YEARS
SINCE 1919

April 10, 2019

FIELD TRIP OPPORTUNITY FOR LOCAL SCHOOLS

As part of the American Welding Society's Centennial celebrations, local schools are invited to participate in a one-time only learning opportunity.

FIELD TRIP ACTIVITIES OVERVIEW:

During this field trip event, students will learn about the importance of welding in everyday life and explore the many career opportunities that exist to fit different education levels – from trade school to PhD options. Participants will be able to:

- Get a virtual learning experience about the art & science of welding
- Earn a chance to win a \$1,000 scholarship
- Hear from welding professionals – including an underwater welder!
- Learn more about AWS scholarship programs for students
- Get info on AWS grants for schools investing in welding programs
- Tours are available from 10:00 am – 7:00 pm (last tour starts at 5:30 pm)

Event Location: American Welding Society Headquarters
8669 NW 36th Street, #130 | Miami, FL 33166

RSVP BY 3.27.2019

Interested schools should contact Jessica Goldstein at jgoldstein@aws.org or call 201-873-3318. We can customize a program to align start and end times with your travel time and scheduling needs.
