You shop our stand for what you want in your desired quantity, while maintaining flexibility of selecting fresh foods to enjoy when your schedule allows.

We've used and trusted Square for our point of sale software at the Farmer's Market and our Farm Stand with great success.

Now, we're using Square for CSA payments, too.

Your e-gift card is stored in our cloud database (online), so you will NOT need a physical card to shop at the market.

You will receive an e-mail after every purchase with your updated balance. We love this transparent system!

Important: DO NOT remove your card on file after signing up for your CSA.

Thank you! We look forward to growing your food this season!

Our Year-Round CSA Share allows You and Your Family to EAT LOCAL up to 52 weeks a year!
