

Broccoli Bacon Salad

Ingredients:

1 bunch of broccoli, separated into small florets
1 small red onion, chopped into pieces
1 lb bacon, sliced into small pieces and fried until crisp

Dressing:

3 Tbsp red wine vinegar or cider vinegar
1/3 cup mayonnaise
1/3 cup sugar

Directions:

- In a large serving bowl combine the broccoli, onion, and bacon. Set aside.
- In a small mixing bowl combine the dressing ingredients.
- Just before serving, pour dressing over the broccoli mixture. Toss to coat.

Comments:

May be made ahead of time, without adding the dressing.
Dried cranberries and pecans can also be added if desired
If a larger amount of broccoli is used, the dressing can be adjusted by using equal parts of mayo and sugar and adding a little more of the vinegar.
