

Turtle Creek Gardens (TCG) is a certified organic diversified/regenerative farm. We grow vegetables, CBD and Industrial grain hemp, and pastured hogs. We're looking for a highly-motivated, happy, team-oriented group of workers for our farm. We strive to create a culture of workers that reflect the farming philosophy we promote.

Vegetable Farmer:

We are seeking an experienced vegetable farmer who can take full responsibility for the execution and management of our certified organic vegetable operation. Our farm has multiple enterprises and seeks to create a leadership team to run each enterprise holding a wholistic picture of the farm with all leads working together to create a synergistic farm organism. The perfect candidate will be passionate about organic vegetable farming and excited to work with a team of other high functioning experienced farmers.

The vegetable operation has an established CSA, strong farmers market, direct accounts and on-line farm store. There are also value-added products the farm produces that contribute to annual sales. Candidates will have a 'turn-key' operation the first year with opportunity to have more autonomy after trial season.

Candidates must be able to self-directed, manage staff and hold a high regard for quality and aesthetics. Candidates must demonstrate experience in higher level vegetable production skill sets and the ability to work in a team.

Perfect candidate will have the desire for long term employment and desire to become a partner after demonstrating desire and positive outcomes.

Qualifications:

- 3-5 years minimum managerial experience in a vegetable operation
- Skills and knowledge of farming equipment.
- Mechanically inclined, basic maintenance of tractors and equipment a must.
- Ability to manage a budget and cash flow.
- Ability to work efficiently and effectively and achieve this in a team that will follow lead.
- Good communication skills.
- Good organizational skills for spaces, work plans, and general order of things and people.

Assistance with housing or housing provided for the right candidate. Benefits include meat and vegetables.

Please send your salary requirement, resume, cover letter, and three professional references to farmmanager@turtlecreekgardenscsa.com Interviews will be arranged after we receive the required paper work.
