SHAKEFORK COMMUNITY FARM

(707) 768-7002 • shakeforkcommunityfarm.com

We offer 22 weeks of fresh, organically grown produce from our family farm to your table. Our shares are distributed weekly from June-October. A **FAMILY SHARE** is our best value and the right choice for most households. A **GARDEN SHARE** is half-sized to suit the needs of a small or single person household. Examples of weekly shares throughout the season can be found on our website.

- Shares are pre-packed in reusable boxes. **Please return your box to us each week.**
- If you will miss a pick-up, you may make alternate arrangements by contacting us 48 hours in advance, or simply send a friend, neighbor, or family member in your place.
- You can schedule to miss one distribution a season and receive a double share at the time of your choosing
- **Payment in full is required before the start of distributions in June.**

Membership Pledge

As a shareholder of Shakefork Community Farm, I commit to paying the full cost of my farm share in exchange for 22 weekly distributions of fresh produce. I understand I am responsible for picking up my share - and returning my box! - each week and that no refunds can be given for unscheduled, missed pick-ups. Your farmers commit to providing seasonal vegetables grown using the highest standards in regenerative farming practices.
