### About Winter CSA

Our winter CSA is a unique, cost effective way to provide you and your family with fresh citrus, root vegetables and dry goods from our New York farm as well as our citrus grove. 2021 marks our twelfth year of growing citrus in Lake Wales, Fl.

Our family splits our time in the winter between Florida and New York, which allows us to grow a variety of citrus and vegetables for our winter CSA. For more information, please check out our website at:  
[www.thorpesorganicfamilyfarm.com](http://www.thorpesorganicfamilyfarm.com) and our Facebook & Instagram pages.

### How We Farm

Thorpe's farm is owned and run by the entire Thorpe family. The farm received its organic certification in 1999 and has been certified through NOFA NY ever since. Our family believes God created a complex and magnificent world, and we strive to farm using sustainable farming methods such as crop rotation, cover crops, organic, non-synthetic fertilizers, beneficial insects, and organic compost. By using time tested organic farming methods, we are able to enrich our soil's nutrients rather than deplete them, which in turn creates healthier produce for you!

*And God said, Behold, I have given you every herb bearing seed, which is upon the face of all the earth, and every tree, in the which is the fruit of a tree yielding seed; to you it shall be for meat ~ Genesis 1:29*

## Benefits of Joining

- You will save money! Our winter share produce is discounted by 25%, compared to our farm store pricing.
- You will be investing in a local, family owned and operated farm, which benefits both our farm, and the neighboring community. By purchasing a winter CSA share, you are ensuring that our farm will be around for years to come, providing food for you and your family.
- Our organic citrus is grown and harvested by us, and shipped to NY as soon as it has been harvested. It is a favorite amongst our customers, and is a welcome boost of Vitamin C, lycopene, and other antioxidants during cold NY winters.
- We offer organically fed beef, chickens, and pork for sale on CSA pickup days, as well as raw honey, maple syrup, organic eggs, Tierra Farm's organic nuts and coffee, and baked goods made on our farm with organic ingredients. Organic strawberries and vegetables grown in Florida will also be available for purchase on pick up days.

## Pick up times, dates and location

There are two options for receiving your winter CSA share. You may choose to have it delivered at a drop site, which are listed below on the registration form, or you may pick it up at our farm.

**Shares will begin December 15, 16, & 18**, depending on your chosen pick up day.

Farm pickups will be on **Tuesdays** from 2-6 pm, and **Fridays** from 10-2 pm, *every other week*.

Winter CSA ends on **March 23, 24, & 26** which brings the season to a total of **8 shares**. In the event of a snowstorm, we will e-mail everyone and reschedule your pickup/delivery day.

## Pricing and share size

We are offering **one** share size this year! See the green chart below for a list of what will be available at each pick up.

Shares may be split if desired. CSA shares are non-refundable, but we promise to strive to meet your expectations!

## What you will receive at each pickup/delivery

-Mixed citrus\* (approximately 20 lbs. mixed oranges, lemons, & grapefruit varies at each pick up) **or** organic orange juice (12 twelve oz. bottles)

-Potatoes (5 lbs.)

-Onions (2.5 lbs.)

-Root vegetables (3 lbs. mixed beets, turnips, radishes, rutabaga- varies at each pick up)

-Carrots (3 lbs.)

-Popcorn (3 ears)

-2 credit options

\*oranges are certified organic, but we will supplement with organically grown (not certified) grapefruit and lemons

### Credit options

You will have the options of choosing credits with every pickup/delivery. The following credits will be available, and you will be allotted 2 credits per pick up.

1 credit unit is equivalent to: \*potatoes, \*sugar, \*rolled oats, \*sunflower seeds, \*pastry flour, "all-purpose flour, \*spelt flour, \*bread flour, \*rye flour, \*buckwheat flour, \*pumpkin seeds, local apples, extra citrus, \*orange juice, baked goods (choice will be specified in future emails)  
2 credit units are equivalent to: \*Tierra Farm coffee (choice of beans will be specified in future e-mails), extra citrus, \*raw almonds, raw honey, granola, baked goods (will be specified in future emails)

*\*=certified organic*
