Membership Agreement

As a shareholder I am committing to support Organic Matters Ranch for the 2017 growing season, and share in the risks and rewards of this local Community Supported Agriculture farm. I understand that my farmers will be using organic growing practices to provide me with a healthy, high quality and bountiful staple share. I realize, too, that farming varies from season to season and within a season, and despite careful planning and hard work, my share of the produce is susceptible to weather, insects, disease, and other acts of nature. I understand that it is my responsibility to pick up my share at the farm and if I cannot pick-up my share or have it picked up by family member or friend, I will notify my farmer. I understand there are no refunds available for missed pick-ups. I commit to paying the full cost of the farm share in exchange for weekly fresh produce.
