**Membership Agreement:**

As a shareholder I am committing to support Organic Matters Ranch for the 2017 growing season, and share in the risks and rewards of this local Community Supported Agriculture farm. I understand that my farmers will be using organic growing practices to provide me with a healthy, high quality and bountiful produce. I realize, too, that farming varies from season to season and within a season, and despite careful planning and hard work, my share of the produce is susceptible to weather, insects, disease, and other acts of nature. I understand that it is my responsibility to pick up my produce at the farm and/or the farmers' markets. I agree to let my farmers know if I intend to purchase a bulk amount of an item previous to pick up. I understand the OM Ranch market shares are good for one year after date of purchase. I understand there are no refunds available.

Please bring your own bag/box to pick up your weekly produce share.
